CAPTIVATING EXTERIOR

THE LOOK OF RELENTLESS PROGRESS

NEW HIDDEN HAWK GRILLE UNDERSTATEDLY BOLD

The majestic hawk emblem sits behind an aerodynamically-angled grille. Flanked by new wing-like patterns, it forms a striking facade that leaves a lasting impression.

18" ALUMINIUM RIMS COMMANDING STANCE

Performance and poise combine in this sophisticated rim design to make a bold statement whether you are in the city or on country roads.

NEW VERTICAL DAYTIME RUNNING LIGHTS & SEQUENTIAL TURN SIGNALS IMPRESS AT EVERY TURN

Enjoy greater visibility with adaptive High-beam system, auto LED headlamps and cornering lamps, distinctive vertical daytime running lights, and the new sweep-action turning lamps that will increase your presence on any road.

ADVANCED REAR COMBINATION LAMPS TECHNOLOGICALLY ILLUMINATING

New tri-colour LED lamps, joined by carbon-feel aero stabilising fins, give a high-tech appearance, while emergency brake signals that flash automatically during emergency braking maximise safety by minimising rear-end collisions.

AERODYNAMIC LINES & CONTOURS ADVANCE IN STYLE

Three fluid lines run over the muscular car body to create a vivid silhouette that spells strength and style in the most dynamic way.

POWER BACK DOOR WITH MEMORY FUNCTION AND KICK SENSOR CONVENIENCE AT ONE TOUCH

You can open or close the door with a touch of a button or a simply placing your foot under the kick sensor*, and the built-in memory returns the door to the preferred height every time.

ULTRA-REFINED INTERIOR

GO THE DISTANCE IN UNSURPASSED COMFORT

SMART ENTRY & START KEYLESS CONVENIENCE AT ITS BEST

No more fumbling for keys. Just approach the car with the key in your pocket or in your bag, and you can open both front doors and start the engine with a push of a button.

NANO^E™ AIR CONDITIONER CLEAN, FRESH AND COMFORTABLE

For Premium and Luxury Variants, the new system cleanses the air and leaves every passenger in the cabin feeling nice, cool and refreshed.

MULTI-INFORMATION DISPLAY WITH OPTITRON METER EXCLUSIVELY FOR TURBOCHARGED HARRIER

Sporty red digital meters put vital driving and safety information within your line of sight. Switch to audio and entertainment easily by clicking the control on the steering wheel.

APPLE CARPLAY AND ANDROID AUTO COMPATIBLE HEADUNIT* STAY SEAMLESSLY CONNECTED

Stay connected with your world with your hands still on the wheel and your eyes on the road. Make calls, listen to messages, and listen to your favourite music and playlists all within your car's infotainment system.

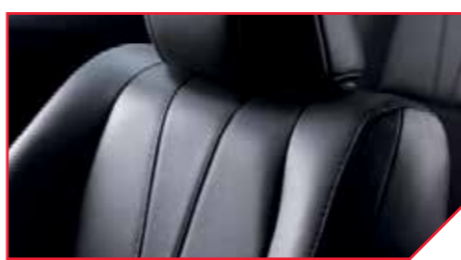

ELECTRIC TWIN SUNROOF* ENJOY THE VIEW

Reach out, press a button and your family can soak in the beautiful scenery as you drive. Or choose the screen for some natural light during those evening rides.

UNRIVALLED SPACIOUSNESS MORE ROOM, MORE VERSATILITY

The roomy interior lets up to 5 passengers relax and ride in comfort. Plus the 60:40 seating with backseats that fold fully flat means more space to fit your family's needs.

ERGONOMIC POWERED SEATS PREMIUM VARIANT: ULTRASUEDE® LUXURY: PREMIUM NAPPA LEATHER, VENTILATED FRONT SEATS

Stylish red trims accentuate the already luxurious seats featuring Ultrasuede® or Nappa Leather with high grade texture. With adjustable power seating for the driver, you will always be in a position of comfort in the Harrier.

EMPOWERING PERFORMANCE

FUELLED BY PURE INGENUITY AND PASSION

2.0L TWIN-SCROLL TURBOCHARGED ENGINE WITH D-4ST & DUAL VVT-iW POWER REDEFINED

Delivering 227bhp and 350Nm of torque from low to high revs, the new engine unleashes more power, yet its durability and fuel efficiency remain the class leading standards that Toyota is renowned for.

6-SPEED ELECTRONICALLY CONTROLLED TRANSMISSION CONTROL IN MOTION

With Sequential Shiftmatic, power is always at your fingertips. Or switch to M-mode for full manual control. Either way you drive, the super ECT anticipates driving conditions to give the perfect response for a seamless driving experience.

ALL-NEW SPORT MODE SHOW YOUR ATHLETIC SIDE

Turn it on for a more spirited drive. The car transforms instantly to offer sportier handling, firmer steering and swifter acceleration. What's more, G AI-SHIFT automatically controls gear positions to maintain powerful acceleration during cornering.

ENHANCED STEERING STABILITY & RIDE COMFORT RIDE STEADY

Enjoy better road feedback through the agile new steering, while the specially tuned suspension, along with performance damper, greatly improve vehicle stability during high speed cruising or over changing terrain.

UNCOMPROMISING SAFETY

ENGINEERED FOR ULTIMATE PROTECTION

CERTIFIED TOYOTA SAFETY SENSE P PACKAGE CERTIFIED FOR GREATER, BETTER PROTECTION

Specially packaged for Borneo Motors to offer superior safety: Pre-crash Safety System anticipates collisions and acts to minimise damage; Lane Departure Alert draws your attention when you deviate from path; Dynamic Radar Cruise Control helps you maintain a safe distance from cars in front; Adaptive High-beam System provides perfect visibility of the road ahead without endangering drivers in front.

7 SRS AIRBAGS FULL CABIN PROTECTION

Strategically positioned at the front, side, curtain and driver's knee, the airbags deploy in the event of a collision to ensure all-round protection for every person inside the Harrier.

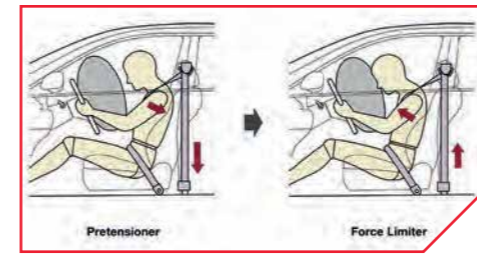

HILL START ASSIST CONTROL ADVANCE WITH CONFIDENCE

Devised to prevent your car from rolling back on steep inclines, this feature is immensely helpful for uphill drives or negotiating a car park ramp.

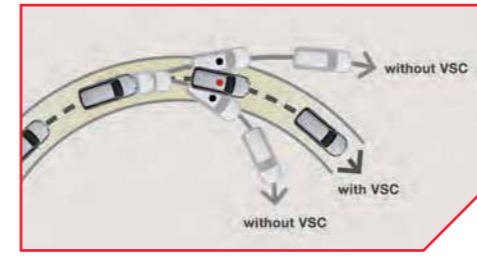

FRONT & REAR SENSORS WITH REVERSE CAMERA ALL-ROUND AWARENESS

Reversing into tight spots is easy thanks to a 'live' view of the back of the car. With the in-built front and back sensors, you can also anticipate nearby obstructions before they pose any danger.

SEATBELTS WITH PRETENSIONER & FORCE LIMITER FUNCTION SMART PROTECTION

Enough strength to restrain driver and passengers during impact, yet not excessive that it would cause injury. The system minimises bodily harm during unexpected impacts.

VEHICLE STABILITY CONTROL WITH ABS & EBD ALWAYS IN CONTROL

Controlling both engine output and the braking force of each wheel, VSC averts over- or under-steering during cornering, while advanced ABS and EBD prevent skidding during wet conditions.

DRIVING INNOVATION SO YOU CAN DRIVE BETTER.

At Toyota, we believe that there is Always A Better Way. Our R&D is a testament to our “Kaizen” spirit — the Japanese philosophy of continuous improvement.

Since its debut in 1997, the Harrier has been widely admired by avid drivers across Singapore and redefined expectations for the SUV category. In its most impressive iteration yet, the Harrier takes performance and sophistication to unprecedented levels, while retaining the reassuring qualities that both drivers and passengers have come to trust.

With the sprightly new Twin-scroll Turbocharged engine, understatedly bold facade, and fully certified Toyota Safety Sense P package, the new Harrier from Borneo Motors truly embodies the best of all worlds.

The Harrier has once again reinforced the values that made Toyota a global benchmark for Quality, Durability and Reliability. Combining creativity and innovation to anticipate your mobility needs, the Harrier is an exemplary proof that you can always look forward to better cars from Toyota.

TOYOTA. ALWAYS BETTER.
