# AN ICON REIMAGINED

---

Meet the All-New Toyota Vios Full Hybrid, a staple in Toyota's legacy, now reborn. Glide through the city with quiet efficiency powered by Toyota's Self-Charging Full Hybrid technology, in a compact, sporty sedan thoughtfully engineered for your everyday drive.

# A FACE THAT COMMANDS ATTENTION

---

Sleek LED headlamps meet a low-profile bumper and sculpted side pontoons to create a bold, youthful stance. Every contour and detail projects confidence and energy, giving Vios Full Hybrid a dynamic presence that's unmistakable on the city streets.

### LED Headlamps with Auto High Beam

A bold and sleek new LED headlamp design delivers both unmistakable brightness and improved driving visibility. Sweeping curves meet sharp angles to create a signature profile that projects an unforgettable confidence on the road in all conditions.

### Distinctive From Every Angle

Sleek LED taillamps define the Vios' rear with clarity and style. Every curve and detail is crafted to create a confident, modern presence, ensuring you leave a lasting impression, wherever the road takes you.

### A Silhouette that Speaks

From its six-window design and long-nose proportions to the sleek fastback silhouette, the Vios Hybrid exudes poise and refinement. Complemented by striking 16" machined alloy rims, every drive turns into a statement of style.

# COMFORT MEETS PRACTICALITY

---

Step inside the Vios Full Hybrid and experience a cabin designed for comfort and convenience. A welcoming ambience and spacious storage ensure all is secure and in place. Intuitive controls are readily accessible, ensuring every drive is connected and effortlessly enjoyable.

01

02

01

### Essential Information at a Glance

The 7-inch instrument cluster provides a clear, intuitive view of key driving data, keeping you informed and in control at every turn.

02

### Set the Mood, Your Way

Choose from 64 colour-tunable illuminations on the console box to create a cabin atmosphere that reflects your style.

03

### Everything in Its Place

Thoughtfully designed storage solutions, including cup holders and versatile compartments, keep your essentials organised and within easy reach.

04

### Space for All Journeys

Accommodate any journey with an ample 460L of boot space. Leave nothing behind and make your getaways complete.

03

04

# TECHNOLOGY THAT MOVES WITH YOU

---

Crafted with modern driving in mind, the Vios Full Hybrid integrates technology that enhances comfort, clarity, and confidence. Its intuitive displays, effortless device charging, and panoramic awareness create an environment where you remain connected and in command at all times.

## Seamless Connectivity

A 10.1" touchscreen puts navigation, media, and smartphone integration at your fingertips. Wireless Android Auto and Apple CarPlay ensure your favourite apps and entertainment stay effortlessly connected while you drive.

## Power On the Go

Keep your devices charged wherever you are. A wireless charger and strategically placed USB ports—1 USB-A and 1 USB-C—in the front row and 2 USB-A ports at the rear, ensure convenience for every passenger.

## Confidence in Every Direction

Park, manoeuvre, and navigate tight spaces with ease. The 360° panoramic view camera gives a complete perspective around the car, making every turn and every space feel secure.

# INTELLIGENT HYBRID PERFORMANCE

---

The Vios Full Hybrid pairs advanced self-charging technology with innovative energy management to make every journey more efficient. Regenerative braking captures and converts energy into electricity, storing it in the hybrid battery so you can travel farther with less fuel. The result is a smooth, responsive drive that balances performance with sustainability.

### Self-Charging Hybrid

The Vios Full Hybrid's self-charging system captures energy while you drive, converting it into electricity to power the vehicle. Enjoy exceptional fuel efficiency without ever needing to plug in.

### Lower CO2 Emissions

By optimising fuel use and harnessing hybrid technology, the Vios Full Hybrid helps reduce your carbon footprint—making every journey kinder to the environment.

### No Added Maintenance

The Vios Full Hybrid delivers advanced performance without extra upkeep, offering a reliable and low-maintenance driving experience.

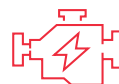

### Exceptionally Quiet

With a refined hybrid powertrain, cabin noise is minimised, allowing every drive to be a smooth, quiet, and comfortable ride.

### Seamless Acceleration

eCVT allows you to shift gears seamlessly, maximising responsiveness towards quick acceleration, easing you into the speed you need for those exhilarating drives.

### Power That Renews Itself

Toyota's self-charging hybrid technology transforms every drive into energy. No cables, no stops, just seamless efficiency.

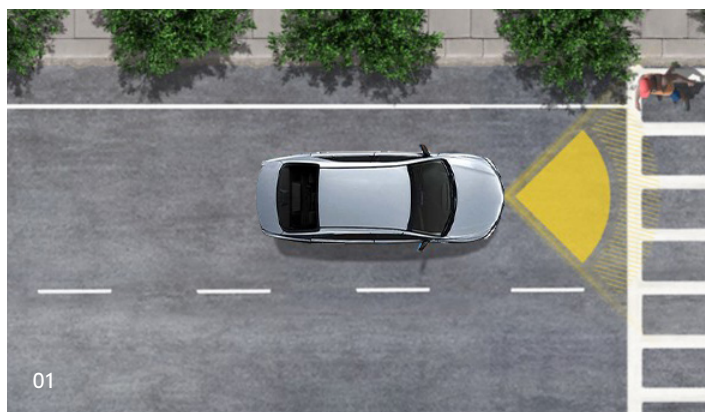

Toyota  
Safety  
Sense

# TOYOTA SAFETY SENSE (TSS)

Roam the road with the new Toyota Vios Full Hybrid in unparalleled safety. With Toyota Safety Sense, a suite of advanced safety features that offer confident cruising for both driver and passenger, every journey can be made in confidence and peace of mind.

01

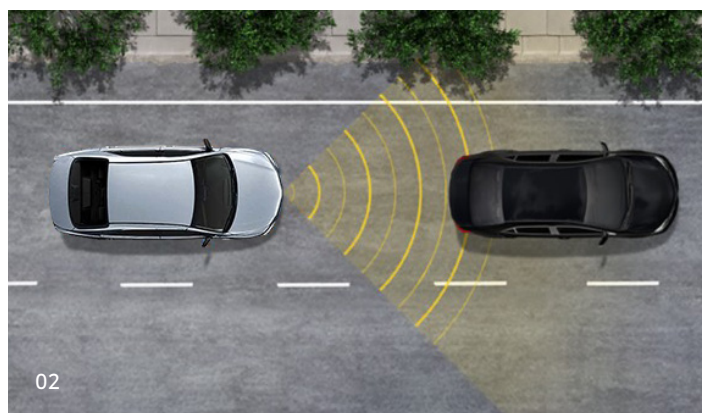

### Pre-Collision System (PCS)

Our safety systems work to stay one step ahead in protecting you and your loved ones. This feature anticipates potential collisions using advanced sensors, offering timely alerts and, if necessary, applying brakes automatically.

02

### Dynamic Radar Cruise Control (DRCC)

This intelligent system maintains a preset distance from the vehicle ahead, adjusting speed autonomously. It ensures a smooth, stress-free ride, allowing you to focus on the journey, not just the destination.

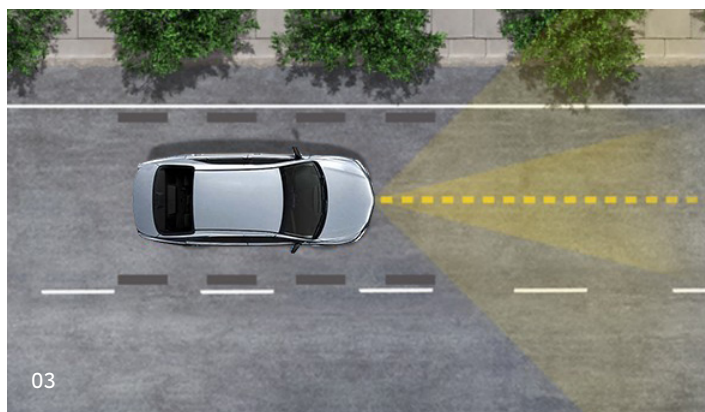

02

03

### Lane Tracing Assist (LTA)

When lane markers are visible, this feature uses the lines on the road and the vehicles ahead of you to help keep the car centred and in its lane.

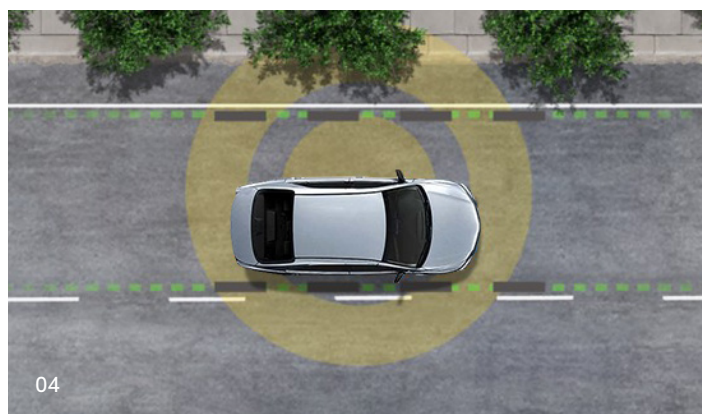

03

04

### Lane Departure Alert (LDA)

This system identifies visible lane markings and detects inadvertent lane departures, issuing audible and visual warnings to notify the driver.

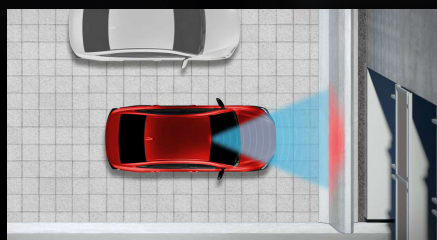

04

# ADDITIONAL SAFETY FEATURES

## 6x SRS Airbags

Strategically placed airbags throughout the cabin will deploy in the event of a collision. Airbags for the driver and passenger, as well as side and curtain shield airbags offer uncompromising safety on the road.

### Pedal Misoperation Control (PMC)

The PMC is designed to help avoid or mitigate damage from a forward collision by automatically braking when the accelerator has been mistakenly applied.

### Blind Spot Monitor (BSM) with Rear Cross Traffic Alert (RCTA)

BSM helps avoid rear collisions when leaving a parking spot by alerting the driver of oncoming vehicles when reversing.

### Front Departure Alert

When you're at a standstill, Front Departure Alert uses sensors to detect when the vehicle ahead begins to move, then notifies you with an audio and display alert as a reminder to set off.

# SPECIFICATIONS & FEATURES

## DIMENSIONS AND WEIGHTS

		TOYOTA VIOS FULL HYBRID
Length / Width / Height	mm	4,425 / 1,740 / 1,480
Wheelbase	mm	2,620
Min. Turning Radius	m	4.8
Unladen Weight	kg	1,165
Max. Laden Weight	kg	1,580
Boot Space	L	460

## ENGINE, MOTOR AND TRANSMISSION

### Performance

Max. Output	kW (hp)	82 (110)
Transmission		eCVT
Top Speed	km/h	155
Drive Wheel		FWD

### Engine

Engine Code / Type		2NR-VEX
Valve Mechanism		4-Cylinder, In-line
Capacity	cc	1,496
Max. Output	kW (hp) / rpm	67 (90) / 5,500
Max. Torque	Nm / rpm	121 / 4,800

### Motor Generator

Code / Type		7NM AC SYNCHRONOUS MOTOR
Max. Output	kW (hp)	59 (79)
Max. Torque	Nm	141
Battery Type		Lithium-Ion

## FUEL CONSUMPTION & CO<sub>2</sub> EMISSION

Fuel Efficiency / Consumption (Combined)	litres / 100km	3.7L/100km
Fuel Tank Capacity	litres	36
CO <sub>2</sub> Emission (Combined)	g/km	87
VES Banding		A2 (2025)

## CHASSIS / BODY

Suspension	Front	MacPherson Strut
	Rear	Torsion Beam
Brakes	Front	Ventilated Disc
	Rear	Solid Disc
Parking Brake		[EPB] Electronic Parking Brake
Tyre		195/60R16
