# Made for Moments That Matter

The Toyota Noah Hybrid ushers in a new era of family travel. Engineered for exceptional fuel efficiency and crafted with a spacious cabin, it offers versatile seating configurations that transform with ease. Every journey is defined by remarkable range and generous room.

# Built for Every Journey

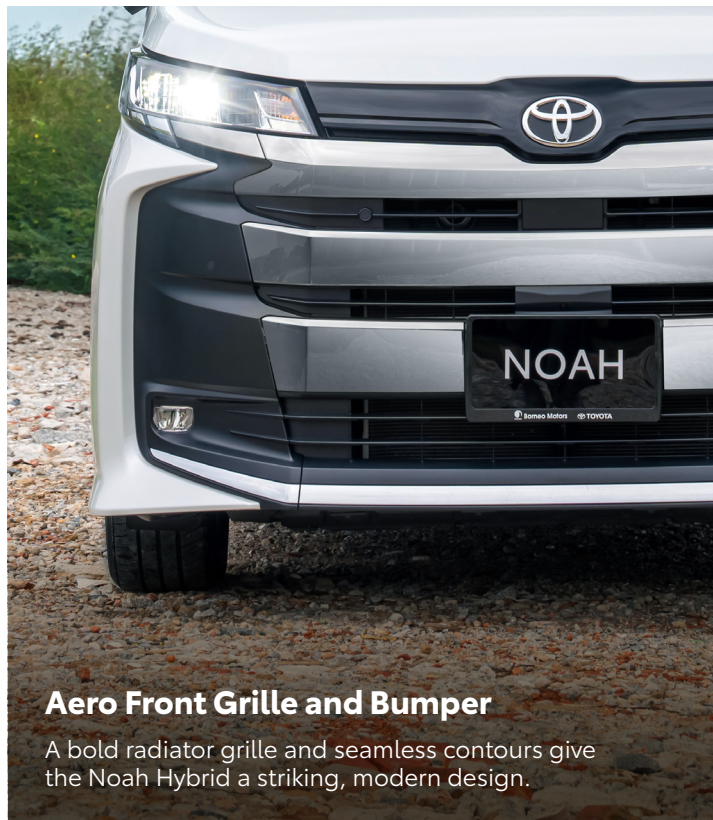

3

Every curve of the Noah Hybrid is shaped with intention — combining clean, modern lines with a quiet strength that speaks to the needs of today's families. It's an exterior that feels as thoughtful as the journeys it's built to carry.

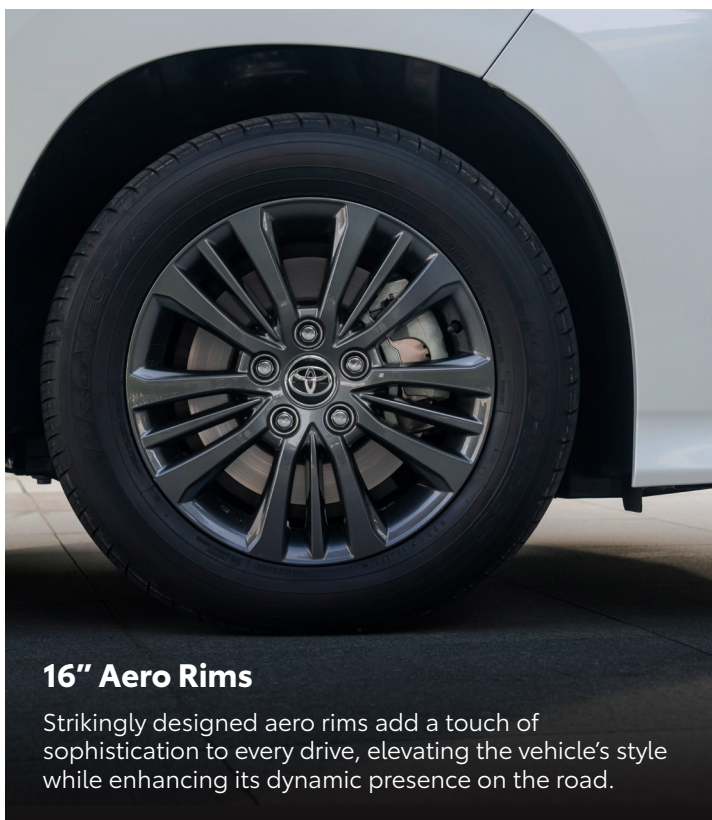

## LED Front Headlamps

Sharp and modern, the LED headlamps illuminate with confidence, offering brilliant clarity.

## Aero Front Grille and Bumper

A bold radiator grille and seamless contours give the Noah Hybrid a striking, modern design.

## 16" Aero Rims

Strikingly designed aero rims add a touch of sophistication to every drive, elevating the vehicle's style while enhancing its dynamic presence on the road.

## LED Tail Lamps

Distinctive rear styling with sharp LED tail lamps adds a modern, refined finish.

# Convenience Perfected

With thoughtfully integrated technology, the Noah Hybrid transforms the cabin into a modern sanctuary — where intuitive control and effortless connectivity enhance every moment on the road.

## 9" Multimedia System with Wireless Apple CarPlay® and Android Auto™

Enjoy seamless access to apps, navigation, and media, keeping you connected on every drive.

## Charging Made Easy

USB ports in the front and USB-C rear charging ports to keep all passengers powered and connected.

# A Cabin Made for Comfort

With its quiet cabin and generous space, the Noah Hybrid ensures every journey is calm and relaxing, bringing comfort to every passenger.

### Tri-Zone Automatic Climate Control with Pollen Filter

Personalised temperature settings across all rows, complemented by a pollen filter for purified cabin air.

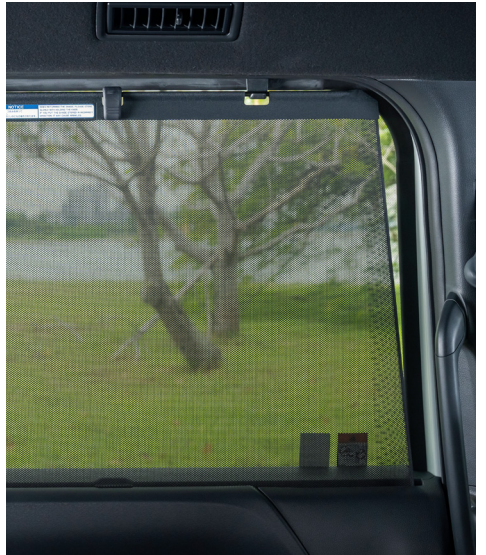

### 4.2-Inch Instrument Cluster

Access essential driving information at a glance.

### Foldable Second Row Side Tray (with 2 Cup Holders)

A practical tray that folds out when needed making every ride more convenient.

### Roller Shades

Rear sunshades provide added privacy and protection from harsh sunlight.

# Ease of Access

The Noah Hybrid is equipped with features thoughtfully crafted to bring convenience and ease to everyday family life.

## Dual Power Sliding Doors with Kick Sensor

Hands-free opening lets you load, unload, and enter with ease, perfect when your hands are full, ensuring seamless convenience for every journey.

## Full-Length Side Access Grip

Designed for every passenger, the grip is positioned at varying heights to support both children and seniors, making it easier and safer to step into the car.

# Room for It All

With generous cargo space and a one-motion fold-up third row, the Noah Hybrid adapts with ease to accommodate everything from daily essentials to luggage for extended journeys. It is a space designed to carry what matters.

# Versatility for Every Journey

9

The Noah Hybrid's adaptable seating layout gives you the freedom to configure the cabin with ease, seamlessly balancing passenger comfort and generous space for family trips, shopping, or weekend getaways.

# Toyota Self-Charging Full Hybrid

The Noah Hybrid pairs next-generation hybrid technology with refined engineering to deliver a quiet, seamless drive and outstanding fuel efficiency — perfect for every journey, near or far.

## Self-Charging Hybrid

With regenerative braking, the Noah Hybrid captures energy as you drive, converting it into electricity to recharge its batteries and deliver an efficient 4.4L/100km.

## No Additional Maintenance

With its hybrid powertrain, the Noah Hybrid requires no extra maintenance, keeping every journey uninterrupted.

## Power That Renews Itself

Toyota's self-charging hybrid technology transforms every drive into energy. No cables, no stops, just seamless efficiency.

## Effortless Acceleration

From the very first touch of the pedal, the Noah Hybrid responds with smooth, instant power, delivering quiet confidence without hesitation.

## Lower CO<sub>2</sub> Emissions

The hybrid system allows every drive to not only be smoother, but to complement an eco-lifestyle and contribute to a greener future with reduced CO<sub>2</sub> emissions.

## Exceptionally Quiet

The Noah Hybrid is exceptionally peaceful and quiet thanks to their near-noiseless hybrid system — enabling you to truly enjoy a comfortable ride.

# Protecting What Matters Most

In the Noah Hybrid, every drive is designed with your family's safety in mind. Toyota Safety Sense combines intelligent features that support your awareness on the road, so whether it's the school run or a weekend getaway, you and your loved ones are always surrounded by smart protection.

## Dynamic Radar Cruise Control (DRCC)

DRCC maintains a safe following distance from the vehicle ahead by automatically adjusting your speed — perfect for smooth, stress-free cruising at any speed.

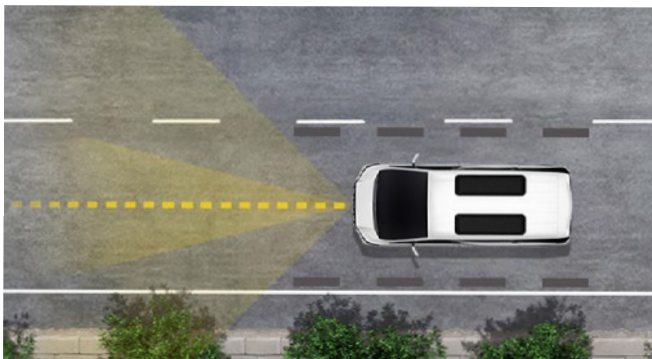

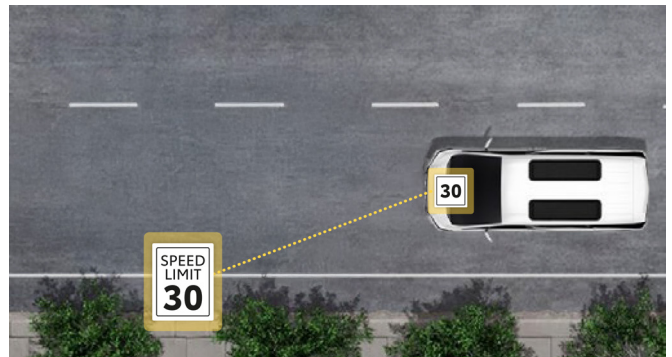

## Pre-collision System (PCS)

If a potential frontal collision is detected, PCS alerts you to react and can apply emergency braking to help avoid or reduce the severity of impact.

## Road Sign Assist (RSA)

RSA reads road signs such as speed limits and displays them clearly on your instrument panel. When paired with DRCC, it can help regulate your speed accordingly.

## Lane Tracing Assist (LTA) and Lane Departure Alert (LDA)

When DRCC is enabled and lane markers are visible, the LTA uses road lines and leading vehicles to centre your car in its lane. The LDA identifies lane markings to help detect inadvertent lane departures—issuing audible and visual warnings. The Steering Assist also provides corrective steering when necessary.

### Blind Spot Monitor (BSM)

Blind Spot Monitor alerts you to vehicles entering your blind spots during lane changes – keeping you informed when you make a move and enhancing safety when swapping lanes.

### Panoramic View Monitor with Back Guide Monitor

Provides a clear, real-time view of your surroundings and guides your reverse movements on screen, helping you navigate and park with greater precision and confidence.

### Parking Sonars

Detects nearby obstacles and alerts you with audible warnings, supporting safer and more controlled parking in tight spaces.
