

**bZ4X**

*Move your world*

# Toyota Reliability in the **Electric Revolution**

Step into the electric future with full confidence in Toyota's proven reliability and trusted expertise. With its sleek, confident SUV presence and a cabin thoughtfully designed around you, the Toyota bZ4X offers more than electric mobility. Advanced safety innovations support every moment on the road, while smooth, responsive electric performance brings comfort, clarity, and assurance to your everyday drive.

# Faster Charge, Longer Journeys

The bZ4X delivers the smooth, silent performance expected of a BEV, paired with practical efficiency for everyday life. Its range of 478 km, supported by an energy consumption of 16.3 kWh/100 km brings confidence to your daily driving needs. Charging is designed for convenience with 150 kW DC fast charging bringing the battery from 10% to 80% in just 28 minutes, while 22 kW AC charging can take it from 10% to 100% in approximately 3.5 hours. Efficient, effortless, and thoughtfully engineered—the bZ4X is ready to go the distance with you.

### A Signature Presence

The bold edges that give the bZ4X its instantly iconic lines converge around a centre LED lamp that add sleek refinement to its signature Hammerhead front design.

### Sharp and Recognisable

The striking edges smoothen out to highlight the bZ4X's LED Rear Combination Lamps, an eye-catching statement that leaves an impression to those following.

### Performance Driven

20" machine-finished rims with black accents add a touch of edge to the bZ4X complimented by a Front Macpherson Strut & Rear Trailing-arm Double Wishbone suspension setup to offer sharper handling and stability on every drive.

### Styled to Impress

Designed to optimise airflow, the roof-mounted spoiler enhances the bZ4X's aerodynamic performance. Its clean, streamlined form also contributes to the SUV's refined, stylish silhouette.

# Designed around **comfort and intuitive ease**

The bZ4X offers a spacious cabin where smart, integrated features elevate every journey. From a driver-focused cockpit to relaxing space for all passengers, the interior creates a welcoming environment that transforms every drive into a smoother, more comfortable experience.

### 7" Digital Instrument Cluster

The unobstructed instrument cluster is thoughtfully placed above the steering wheel to keep key driving information in your line of sight, allowing you to stay focused on the road.

### 14" Touchscreen Multimedia System

The display screen brings navigation, Bluetooth, Android Auto™ and wireless Apple CarPlay™ together in one intuitive hub. Complementing the digital experience, dedicated physical buttons beneath it offer quick, tactile adjustments for commonly used functions like audio and climate control.

### Leatherette Upholstery

Designed with both comfort and practicality in mind, the bZ4X's high-quality leatherette seats come with 8-way powered adjustment, plus heating and ventilation for a customised and enjoyable drive.

### Panoramic Roof with Electric Shade

Enjoy the expansive view from the bZ4X's panoramic roof, with an electric shade that reduces tropical sunlight when needed.

### Driver's Memory Seat

Each drive begins with comfort shaped around you. With personalised driver seat settings, you can adjust your seat and side mirrors to your ideal driving position, and the bZ4X will restore your saved preferences every time you get behind the wheel.

# Elevated Convenience

Designed around everyday convenience, the bZ4X brings seamless usability to your drive. Enjoy wireless charging, hands-free access with a power back door, and practical details such as the dual-opening front armrest—all working together to elevate the ease and enjoyment of your driving experience.

## Dual Wireless Charging

Keep your devices ready at all times with convenient charging for both driver and front passenger within arm's reach.

## Accessible Front Seat Storage

Maximise your cabin space with the dual-opening front armrest. Designed to open from both the left and right sides, it offers convenient storage access for both the driver and front passenger.

## Free Up Your Hands

Let the Power Back Door with Kick Sensor lend a hand when yours are full. A simple kick motion opens the boot instantly, adding effortless convenience and giving you seamless, hands-free access.

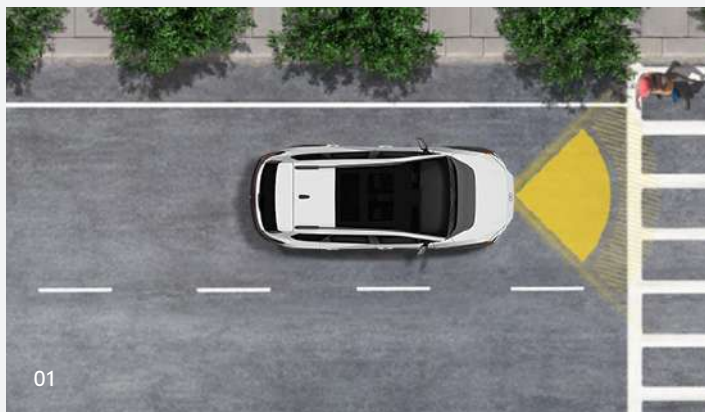

Toyota  
Safety  
Sense

# Toyota Safety Sense (TSS)

The bZ4X features the reliable Toyota Safety Sense suite designed to protect what matters most. The advanced suite of safety features works to give you an additional layer of protection at all times for a confident drive.

01

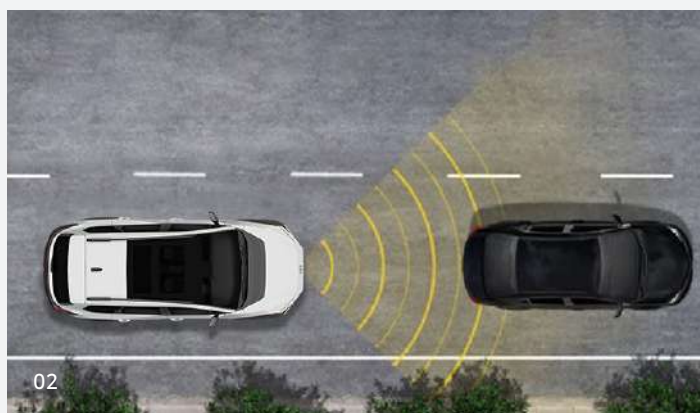

### Pre-Collision System (PCS)

The PCS works to stay one step ahead in protecting you and your loved ones. This feature anticipates potential collisions using advanced sensors, offering timely alerts and, if necessary, applying brakes automatically.

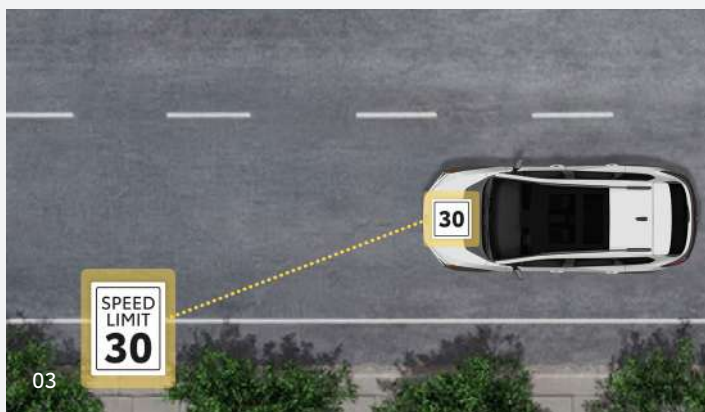

02

### Dynamic Radar Cruise Control (DRCC)

This intelligent system maintains a preset distance from the vehicle ahead, adjusting speed autonomously. It ensures a smooth, stress-free ride, allowing you to focus on the journey, not just the destination.

02

03

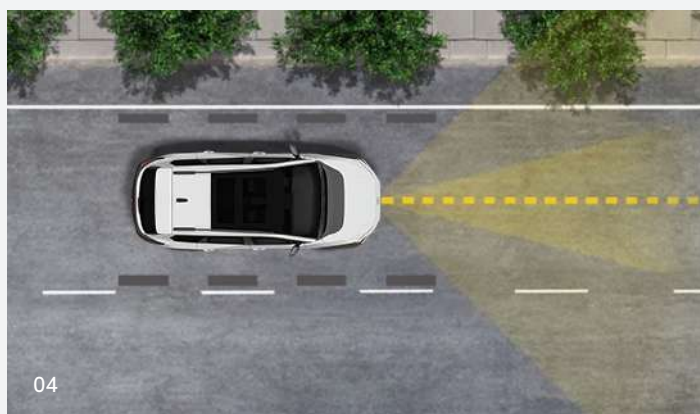

### Road Sign Assist (RSA)

RSA reads road signs such as speed limits and displays them clearly on your instrument panel. When paired with DRCC, it can help regulate your speed accordingly.

04

### Lane Tracing Assist (LTA) and Lane Departure Alert (LDA)

When DRCC is enabled and lane markers are visible, the LTA uses road lines and leading vehicles to centre your car in its lane. The LDA identifies lane markings to help detect inadvertent lane departures—issuing audible and visual warnings. The Steering Assist also provides corrective steering when necessary.

04

01

### Safe Exit Assist (SEA)

Assists in preventing collisions between an occupant's open door and any moving objects approaching from behind with the help of the Blind Spot Monitor radar.

02

### Intelligent Parking Assist (IPA)

Using the 360° Panoramic View Camera and front and rear sensors, the IPA automatically parks the bZ4X in a selected bay.

01 &amp; 02

### Blind Spot Monitor (BSM) System

Blind Spot Monitor alerts you to vehicles entering your blind spots during lane changes—keeping you informed when you make a move and enhancing safety when swapping lanes.

### 8 SRS Airbags

In the event of a collision, these airbags keep any impact to you and your passengers to a minimum. Strategically placed throughout the cabin, passengers are enveloped in a protective cocoon—ensuring that in every journey, they're embraced by uncompromised safety.

# Specifications & Features

## DIMENSIONS AND WEIGHTS

### TOYOTA BZ4X

Length / Width / Height	mm	4,690 / 1,860 / 1,650
Wheelbase	mm	2,850
Min. Turning Radius	m	5.6
Unladen Weight	kg	1,935
Max. Laden Weight	kg	2,520

## MOTOR, BATTERY & PERFORMANCE

### Motor Generator

Code / Type		2XM PERMANENT MAGNET SYNCHRONOUS MOTOR
Max Output	kW (hp)	167 (223)
Max Torque	Nm	268

### Battery

Battery Type		Lithium-ion
Battery Capacity	kWh	73.1

### Battery Charger

Connector Type (AC/DC)		Type2/CCS2
Max AC/DC Charging Power	kW	22/150
AC Charging Time (SOC: 10% to 100%)	Hr	Approx 3.5 (22kW)
DC Charging Time (SOC: 10% to 80%)	Min	Approx 28 (150kW)

Actual charging time may vary based on factors such as battery condition, charger type, temperature, and environment.

### Performance

Top Speed	km/h	160
Acceleration (0 - 100km/h)	s	7.4

### Drivetrain

Transmission		eAxe
Drive Wheel		FWD

## EFFICIENCY

Energy Consumption	kWh/100km	16.3
Driving Range	km	478
VES Banding		A

## CHASSIS / BODY

Suspension	Front Rear	MacPherson Strut Double Wishbone
Brakes	Front & Rear	Ventilated Disc Brake
Parking Brake		Electronic Parking Brake
Tyre		235/50R20
