

# VELLFIRE & ALPHARD

*Move your world*

# First-class Travel, Elevated

Introducing the Toyota Vellfire and Alphard Hybrid—embodiments of bespoke luxury travel, your trusted companions in your most treasured moments. Whichever you choose, you'll step into a realm of unparalleled comfort and opulence, meticulously refined to ignite your senses.

Enhanced by advanced safety features that cocoon you and your loved ones in a protective embrace, and powered by an extraordinary self-charging hybrid engine, each journey becomes an exquisite indulgence, making your travels truly opulent.

# Distinguished Elegance

The all-new Vellfire and Alphard Hybrid exude an unequivocal aura of allure and sophistication. Meticulously sculpted to convey unmistakable authority, their front grilles speak volumes about their formidable presence.

Featuring sleek lines and a boldly aggressive silhouette, the Vellfire's exterior seamlessly blends opulence with subtlety. Its commanding presence is enhanced by tasteful chrome accents and meticulously crafted details, creating an undeniably captivating, darkly sophisticated aesthetic.

The Alphard epitomises luxury, showcasing a harmonious blend of grace and power. Confidently sculpted lines strike the perfect balance between form and function, foregrounding its elegance and the extravagance that lies within.

## Vellfire

## Alphard

### Front LED Lights

The striking head lamps, day-time running lamps, and fog lamps blend seamlessly with their aesthetics, and utilise LEDs for enhanced visibility.

### Rear LED Lights

Discernible from a distance, the LED Brake and Sequential Tail Lamps add to their exquisite distinction. In addition, the Aero Stabilising Fins on the outer lens contribute to excellent stability.

### Power Sliding Door with Obstruction Detection

Crafted for your elegant entrance into and exit from the Vellfire and Alphard, the power sliding doors operate effortlessly, discreetly detecting obstacles for a smooth and safe boarding experience.

Vellfire Interior

### Lower Rear Seat Access Step

Board and alight with steady grace and unhindered style. The lower access step allows your every entry and exit to be consistently immaculate and effortless.

Vellfire Interior

# First-class **Luxury**

An exquisite blend of sophisticated elegance, enveloping comfort, and uncompromising luxury, the interiors of the Vellfire and Alphard embody refined opulence.

## Immerse in Enveloping Bliss

Indulge in first-class comfort as you sink into the spacious Captain Seats with Ottoman Function luxuriously wrapped in genuine leather upholstery. Tailor the adjustable seats with ventilation until they reach your desired level of comfort.

So wherever your destination is or however long the journey takes, you'll always arrive well-rested to take on the day.

Vellfire Interior

### Twin Panoramic Glass Moonroof and Overhead Console

Let the light in or gaze outward into the night sky as you travel. The moonroof shades can be electrically operated to slide open and close—allowing you to appreciate the beauty of the outside world as you travel to your destination.

From lighting to air-conditioning, the thoughtfully designed overhead console gives each occupant unbridled access to adjust the cabin’s comfort levels to their desire.

Vellfire Interior

Vellfire Interior

### Ambient Lighting

With up to 14 base colours and 50 custom options to choose from, the LED ceiling illumination can be adjusted to suit your every mood—and create a truly bespoke setting at every turn.

### Tri-zone Air Conditioning with NanoE™ X (-) Ion Generator

Experience equal levels of comfort and freshness, always. Together with the nanoE™ X system, the tri-zone full-automatic air conditioning provides cool, clean air all throughout the cabin—making every journey comfortable beyond compare.

## Roller Sunshades

The powered roller sunshades add an extra dimension of luxury to your journeys. Integrated seamlessly into the rear windows and in a single, effortless touch, they slide down to shield passengers from sun and sight—giving you the privacy you need on demand, and enabling an unparalleled travel experience.

Alphard Interior

Vellfire Interior

## Detachable Touch Displays for Individual Comfort

Get ready to experience a personalised passenger experience like no other. Whether it's effortlessly adjusting your seat posture, fine-tuning the air conditioning to your desired level, or indulging in a soothing massage feature that melts away fatigue and stress, the Vellfire and Alphard offer a world of comfort and sophistication beyond compare in all your journeys.

Vellfire Interior

# Craftsmanship Meets Opulence

An exquisite blend of intuitive design and precise craftsmanship, the features within the Vellfire and Alphard are thoroughly honed for an elevated sense of opulence and grandeur. From the extraordinary multimedia system to the outstanding comfort of the configurable seats, you'll find yourself immersed in a world of pleasure that surpasses all expectations.

## 14" Multimedia System with Touch Screen

Stay seamlessly connected and entertained with the 14" Multimedia System, featuring full touchscreen and Bluetooth functions along with wireless Apple CarPlay® and wired Android Auto™. Enjoy a modern driving experience with easy access to calls, music, apps, and real-time navigation updates—all at your fingertips.

## Premier Audio System

Within their cabins adorned with 15 premium JBL speakers, every note played resonates through like a symphony in a grand concert hall—enveloping you in pure audio bliss, transforming every journey into a sublime auditory experience.

## Heads-Up Display\*

Designed to elevate the driving experience, the Heads-Up Display projects essential data discreetly onto the windshield in real time. Vital information such as navigation cues and speed are provided in a seamless, elegant manner—enhancing situational awareness without compromising focus.

*\*Available for Alphard only.*

## Versatile Seating Configurations

Tailored to offer unrivalled levels of personalisation, our seats transform your journey into a symphony of luxury and delight. Seamlessly adjust them to create a cocoon of opulence that cradles you throughout. Indulgence is taken to new heights with the 50:50 split-folding third row seats, which grant you unmatched adaptability and satisfaction. Every trip is now filled with pleasure.

Alphard Interior

## Spacious Storage

The Vellfire and Alphard feature unrivalled storage space, enabling you to bring all you desire to your every destination without worry.

Vellfire Interior

# Toyota Hybrid

Powered by the latest generation Toyota Hybrid System, the Vellfire and Alphard promise exceptional performance and smooth, quiet rides—always.

## Self-Charging Hybrid

With innovations such as regenerative braking, the energy used as you drive is captured, transformed into electricity, and used to recharge the hybrid batteries of the Vellfire and Alphard—giving them an impressive 17.2km/L of fuel efficiency.

## Lower CO<sub>2</sub> Emissions

The hybrid system allows every drive to not only be smoother, but to complement an eco-lifestyle and contribute to a greener future with reduced CO<sub>2</sub> emissions.

## No Additional Maintenance

Even with a hybrid power source, there's no additional maintenance required—ensuring you won't encounter any added disruptions to your travels.

## Exceptionally Quiet

The Vellfire and Alphard are exceptionally peaceful and quiet thanks to their near-noiseless hybrid engines—enabling you to truly enjoy first-class luxury.

# Safety for All

Every Toyota is designed with your safety as one of our greatest considerations and highest priorities. Safeguarded by the latest Toyota Safety Sense, our suite of advanced safety features, you'll be well-protected wherever you go in the Vellfire and Alphard. So you can enjoy your journeys with total peace of mind, every time.

Drivers are responsible for their own safety, and must always drive safely, obey traffic speed limits and laws and focus on the road while driving. Refer to the Owner's Manual for your vehicle to read more information on TSS precautions and limitations.

Safety  
Sense

## Dynamic Radar Cruise Control (DRCC)

Cruising made even more effortless. Using forward-sensing radar technology and an intelligent camera, DRCC adjusts your speed according to traffic—slowing when the traffic is heavy and accelerating back to your original cruising speed when traffic clears. It now includes Curve Speed Management which, if needed, automatically reduces your speed on curves.

## Pre-collision System (PCS)

The PCS now includes Automatic Emergency Braking (AEB) Intersection, alerting you to vehicles, pedestrians, or cyclists even at intersections. It uses radar and shape recognition to warn of potential collisions and helps to apply brakes when necessary. The new Emergency Steering Assist (ESA) further enhances stability during emergency steering.

## Adaptive High-Beam (AHB)

This smart sensor detects the headlights and taillights of cars in front of you, and automatically optimises the headlamp light distribution to ensure you never dazzle other drivers, making driving safer for you and your fellow road users.

## Lane Tracing Assist (LTA) and Lane Departure Alert (LDA)

When DRCC is enabled and lane markers are visible, the LTA uses road lines and leading vehicles to centre your car in its lane. The LDA identifies lane markings to help detect inadvertent lane departures—issuing audible and visual warnings. The Steering Assist also provides corrective steering when necessary.

## 6x SRS AIRBAGS

No matter where you're seated, your safety is paramount and assured. With six SRS airbags providing coverage across the cabin, the impact from any collisions will be mitigated to keep you safe from harm.
