

**VIOS**

 **TOYOTA**

## The sum of what matters most

---

A sporty exterior. Spacious comfort in every seat. Practical features. Comprehensive Safety. All this—and more—add up to a vehicle that's more than just the sum of its parts; it's the perfect city drive. The Toyota Vios. The sum of what matters most.

## A dynamic look

---

The Toyota Vios is a celebration of practicality. Its dynamic exterior tied together by aerodynamic lines from front to back, and every feature seamlessly integrated to create a modern profile that's a joy to look at.

### MODERN GRILLE DESIGN

Redesigned for a bolder, more aggressive look, the trapezoid-shaped front grille accentuates the wide, low stance of the Vios—working cohesively with the headlights to create a memorable impression on the road.

### HALOGEN PROJECTOR HEADLAMPS (FOR VIOS G ONLY)

Take on the night with confidence with the halogen projector headlamps lighting the way. Enjoy enhanced visibility and improved safety on every journey.

### 16" SPORTY RIMS (FOR VIOS G ONLY)

The aggressive new look of the Vios harmonizes perfectly with the 16" sporty rims, with blade-like spokes giving an exciting impression—even when the car is stationary.

### AMPLE BOOT SPACE

Prone to big shopping sprees? No problem! The Vios offers a generous amount of boot space that's ready for anything—from the week's groceries to staycation suitcases.

### SMART ENTRY

Say goodbye to fumbling with phones or grappling with groceries while you search for your car keys—the Smart Entry system makes entering your Vios a breeze!

### ELECTRIC FOLDING SIDE MIRRORS

The sophistication of the exterior extends to the multi-purpose electric folding side mirrors, stowing neatly when parked for a cleaner silhouette. The integrated side turn signals are an added safety function, allowing for greater visibility for other drivers.

## Modern, spacious comfort in every seat

Stretch out and relax in perfect comfort inside a wide, spacious cabin—making every seat the best seat in the house. Fitted with a touchscreen head unit—featuring Apple CarPlay® and Android Auto™ capabilities—and handy modern features like wireless charging and more, every journey is an opportunity to get recharged and refreshed.

### COMFORTABLE INTERIOR

Inside, discover quiet comfort with soft, comfortable seats and sporty lines clad in modern, contrasting moulding that emphasize the width of the Vios, including a redesigned cigar-shaped instrument panel that gives an elongated impression across the front of the cabin.

### SPACIOUS CABIN

With a wider cabin comes greater comfort. This additional space helps make the Vios your comfortable sanctuary on the road.

### **PUSH START**

Convenience is a key part of the Vios experience, and that begins right at the start of every journey. After opening the door with Smart Entry, start the car with a simple press of a button.

### **TOUCHSCREEN HEAD UNIT WITH APPLE CARPLAY®/ANDROID AUTO™**

Enjoy your favourite tunes and stay connected via a touchscreen infotainment head unit that comes enabled for Apple CarPlay® and Android Auto™ — making every drive a treat for all your senses.

### **WIRELESS CHARGING**

Low battery signs? Never again, thanks to a sleek wireless charging tray, allowing you to stay charged up on the go.

### **REAR USB PORTS**

With rear USB ports, passengers can conveniently plug in and stay charged on the go.

### **AUTO AIR-CONDITIONING (FOR VIOS G ONLY)**

Choose your comfort level and let the Vios do the rest, with auto air-conditioning maintaining your preferred temperature all around the cabin.

### **60:40 FOLDING REAR SEATS (FOR VIOS G ONLY)**

In the Vios G, get even more versatility with 60:40 folding rear seats, allowing for greater utility from the boot and the wide cabin space.

## Fuel-efficient driving

Smooth acceleration meets improved fuel economy in the Vios, with the CVT providing peak efficiency—resulting in great fuel economy of 17.2km/L.

### 1.5L DUAL VVT-I ENGINE

Enjoy fantastic performance over longer distances with the four cylinder, 1.5L Dual VVT-I engine delivering impressive fuel efficiency of 17.2km/L—getting you where you need to go safely and more economically.

### CONTINUOUS VARIABLE TRANSMISSION (CVT)

The CVT also aids in the efficiency of the Vios, shifting gear with greater precision and at the optimum timing—taking the technical aspects out of the drive and enabling you to be in the best possible gear in every situation.

### ECO & SPORT DRIVE MODES (FOR VIOS G ONLY)

Get even more flexibility with the ECO and SPORT drive modes, leading to either greater fuel savings or a stepped-up driving experience—allowing you to choose a different drive, every time.

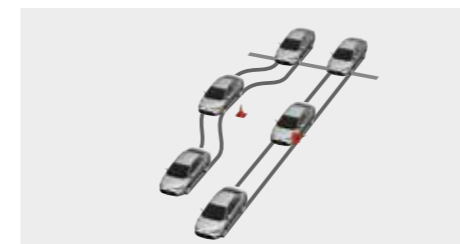

## Comprehensive safety- our 5-star promise

Enjoy enhanced peace of mind on every journey with a 5-star ASEAN NCAP rating—testament to the comprehensive safety suite inside the Vios. From preventative measures to emergency features, feel confident and relaxed every time you get on the road—because really, what else matters more?

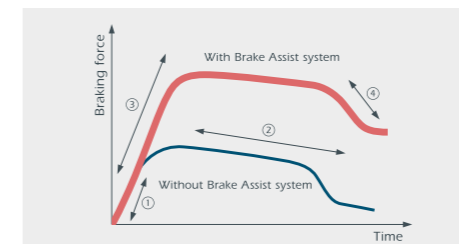

### 7 SRS AIRBAGS

In emergency situations, there's no such thing as too much safety. That's why the Vios comes equipped with 7 SRS airbags, protecting you and your loved ones from every angle.

### ANTI-LOCK BRAKING SYSTEM (ABS)

Being ready for anything is important and the Anti-Lock Braking System ensures you're always ready to react, with a drastic reduction in braking distance and skidding allowing for constant steering control—even in difficult situations.

### BRAKE ASSIST

Working in tandem with the ABS system, Brake Assist helps to deliver maximum braking force, compensating for the driver in difficult situations.

### HILL START ASSIST SYSTEM

Setting off on a hill? No worries! The Hill Start Assist System automatically keeps the brakes on before acceleration, allowing for a smoother getaway and preventing any rollback.

### REVERSE SENSORS & CAMERA

Take the difficulty out of reversing with the reverse sensors and camera giving you perfect awareness of any obstructions while parking.
